

All type of **Incense Sticks** Making  
Machine Manufacturer & Exporter

**Quality  
without  
Compromise**

Specially Made for International Market

# Fully Automatic 4G Speed Incense Stick Making Machine

## Fully Auto. 4G Speed Machine

### Technical Specification

- Machine Description : Fully Auto. 4G Speed Incense Stick Making Machine
- Model : CF ISM-04
- Machine Speed : 250 Stroke / Minute
- Production Capacity : 60 to 80 kg / 10 Hrs. (Depends on Stick Quality)
- Length of Incense Stick : 8" to 16"
- Counting /KG : 8" - 950 to 1000 Pieces & 9" - 850 to 900 Pieces
- Power Required : 1 HP (3 Phase or Single Phase)
- Die : Single Die S.S.304
- Feeding Hoper : S.S. 304
- Cylinder : CI Metal with Hardening
- Piston : EN 19
- Warranty : 9 Months
- Guarantee : 1 Year ( Motor, AC Drive, Sensor )
- Over all Dimension : 380mm x 600mm x 520mm height

# Fully Automatic 6G High Speed Incense Stick Making Machine

## Fully Auto. 6G High Speed Machine

### Technical Specification

|                       |                                         |
|-----------------------|-----------------------------------------|
| • Machine Description | : Fully Auto. 6G High Speed Incense S   |
| • Model               | : CF - ISM 05                           |
| • Machine Speed       | : 350 Stroke/Minute                     |
| • Production Capacity | : 100 to 110 kg. / 10 Hrs. (Depends on  |
| • Length of Stick     | : 8" to 16"                             |
| • Counting / KG       | : 8" - 950 to 1000 Pieces & 9" - 850 to |
| • Power Required      | : 1.5 HP (3 Phase or Single Phase)      |
| • Die                 | : Single Die S.S.304 (With Carbide )    |
| • Feeding Hoper       | : S.S. 304                              |
| • Cylinder            | : CI Metal with Hardening               |
| • Piston              | : EN 19                                 |
| • Warranty            | : 9 Months                              |
| • Guarantee           | : 1 Year ( Motor, AC Drive, Sensor )    |
| • Over all Dimension  | : 380mm x 600mm x 520mm H.              |

# Fully Automatic 8G Jet Speed Incense Stick Making Machine

## Fully Auto. 8G Jet Speed Machine

### Technical Specification

- Machine Description: Fully Auto. 8G Jet Speed Incense Stick Making Machine
- Model: CF ISM-06
- Auto Feeder: Auto Reverse Forward System
- Machine Speed: 400 Stroke / Minute
- Production Capacity: 130 to 150 Kg. /10 Hrs. (Depends on Stick Quality)
- Length of Incense Stick: 8" to 16"
- Counting per KG: 8" - 950 to 1000 Pieces & 9" - 850 to 900 Pieces
- Power Required: 2 HP (3 Phase or Single phase)
- Die: Single Die S.S.304 with Carbide
- Color: Stand & Cover Powder Coating
- Gear Box: Helical Gear
- Feeding Hoper: S.S. 304
- Cylinder: CI Metal with Hardening
- Piston : Hard & Low Depreciative Material
- Stand: Square Pipe 40mm x40mm
- Warranty: 9 Months
- Guarantee: 1 Year ( Motor, AC Drive, Sensor )
- Over all Dimension: 880mm x 1080mm x 1260mm H.

# Rotary Type Dhoop Cup Making Machine

## Fully Auto. 4G Speed Machine

## Technical Specification

- Machine Description : Rotary Type Dhoop Cup Making Machine
- Model No. : CF RTDCM
- Product : Dhoop Cup (Sambrani Cup)
- Die & Punch : SS316 material
- Production Speed : 40-50 Nos. per minute
- Motor : 2 HP Motor Single Phase 50 Hz.
- Gear Box : Worm Gear and Helical Gear
- Operating : Rotary Mechanical System
- Cups Mould : 08 Handing Rotary Design
- Over all Dimension : 36" x 36" x 65" (L X W X H)
- Material Feeding : Automatic  
Feeding Hopper Capacity: 2Kg.  
Weight : 400 Approx.

# Sambrani Cup Making Machine

## Sambrani Cup Making Machine

### Technical Specification

- Machine Description : Sambrani Cup Making Machine
- Model No. : DCM-11
- Stroke : 25 Cup in One Stroke
- Production : 5000 Nos./10 Hrs. (Depends on Operator )
- Product : Bullet Dhoop and Cup Sambrani
- Motor : 1 HP 3 Phase or Single Phase
- Operating : Hydraulic System
- Cups Mold : 3 Handling Plate Design
- Dimension : 24" x 24" x 50" (L X W X H)
- Warranty : 9 Month

# Backflow Cone Making Machine

## Backflow Cone Making Machine

### Technical Specification

- Model : CF BFM-13
- Speed : 90-100 Cone/minute
- Production : 20-22 KG per hour.(depend on size and raw material)
- Diameter : Customize
- Height of Cone : 20mm – 50mm(as per customers required)
- Motor : 2HP Standard Make
- Cone release : Mechanical ( without air pressure)
- Die : 8 pcs Grinding with Hardening
- Gear Box : Helical Gear & Worm Gear
- Conveyor : Belt conveyor
- Molding Die Types : Cone Type

# Dhoop Stick Making Machine

## Dhoop Stick Making Machine

### Technical Specification

- Machine Description : Dhoop Stick Making Machine
- Machine Model : CF DSM-03
- Machine Speed : 200 Piece/Minute
- Production : 95,000 Pieces/10 Hrs.
- Size : 6mm, 8mm, 10mm.
- Length of Dhoopbatti : 2', 3", 4".
- Counting per KG : 300 Stick (Depends on Stick size)
- Required power : 1.5 H.P (3 Phase/Single Phase)
- Die : Single Die S.S.304
- Feeding Hoper : S.S. 304
- Cylinder : CI Metal with Hardening
- Piston : EN 19
- Stand : Square Pipe 40mm x40mm
- Warranty : 9 Months
- Guarantee : 1 Year ( Motor, AC Drive, Sensor )
- Over all Dimension : 380mm x 600mm x 520mm H.

### Technical Specification

|                                                 |                                                     |
|-------------------------------------------------|-----------------------------------------------------|
| • Machine Description                           | : Wet Dhoop Stick Making Machine                    |
| • Model No                                      | : CF WDM-036                                        |
| • Type of Machine                               | : Hydraulic System Machine                          |
| • Type of Material                              | : Wet Dhoop & Dry Dhoop                             |
| • Motor                                         | : 2 Hp Standard Make (Three Phase or Single Phase)  |
| • Structure                                     | : According machine need                            |
| • Dhoop Stick Size (Thickness)                  | : 6mm to 25mm (According to Customer's Requirement) |
| • Length of Dhoop Stick:                        | : Adjustable                                        |
| • Production                                    | : 300 kg to 400 kg (Per 10 Hour)                    |
| • Cutter                                        | : Manual cutting attachment machine                 |
| • Conveyor                                      | : According to machine                              |
| • Conveyor Motor                                | : 0.5 Hp                                            |
| • Electric Panel Board                          | : All parts are standard                            |
| • Raw Material Filling Capacity ( In One Time): | : 12kg To 18kg (depend On Raw Material)             |
| • Oil Tank Size :                               | : 40 Ltr Capacity                                   |

# Incense Powder Mixer Machine

Available in Different Model & Capacity

25 Kg. | 30 Kg. | 50 Kg. | 100 Kg. | 1000 Kg. | 5000 Kg.

## Incense Powder Mixer Machine

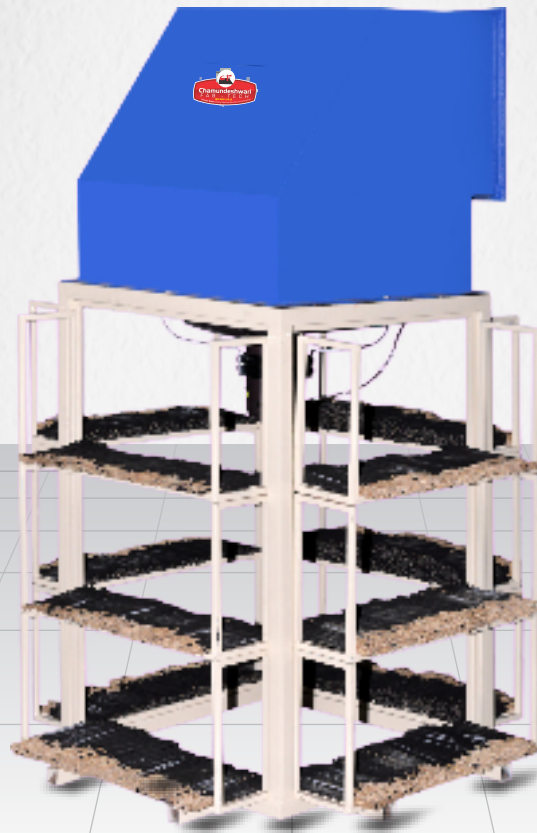

### Technical Specification

- Machine Description : Incense Powder Mixer Machine
- Model : CF IMM-08
- Machine Speed : 90 RPM/Minute
- Production Capacity : 25 kg./50 kg./100 kg. / Minute
- Motor : 1 HP/2 HP/3 HP
- Warranty : 9 Month
- Guarantee : 1 Year (Motor)
- Machine Weight : 75 Kg
- Dimension : 600mmx600mmx1500mm .H

Wet Dhoo Stick  
Making Machine

# Incense Stick Dryer Machine

## Incense Powder Mixer Machine

### Technical Specification

- Machine Description : Incense Stick Dryer Machine
- Model No. : CF ISD-07
- Production Capacity : 200 Kg. / 10 Hour
- Drying Process : Air Vacuum System
- Frame For Incense : 24 Nos.
- Motor : .5 HP(Single Phase)
- Warranty : 9 Month
- Guarantee : 1 Year (Motor)
- Machine Weight : 75 Kg
- Dimension : 600mmx600mmx1500mm .H

# Incensea Vibrator (Screening / Filter) Machine

## Vibrator (Screening / Filter) Machine

### Technical Specification

- Machine Description : Incense Powder Filter Machine
- Model No. : CF IVM-09
- Machine Capacity : 20Kg./ 50Kg./ 70Kg./90Kg./20Kg./ 10 Minutes
- Motor : 0.5 HP/ 1 HP/ 1.5 HP
- Warranty : 9 Month
- Guarantee : 1 Year (Motor)

# Manual (Pedal Type ) Machine

Available with Single & Double Pedal

## Manual (Pedal Type ) Machine

### Technical Specification

- Machine Description : Manual Incense Stick Making Machine
- Model : CF ISM-01
- Production Capacity : 8-12 Kg. /10 Hrs.
- Stick Length : 8" to 16"
- Warranty : 9 Month
